CURRICULUM VITAE

of Johann du Toit
Senior Graphic & Web Designer

"I strive for two things in design: simplicity and clarity. Great design is born of those two things."

~ Lindon Leader

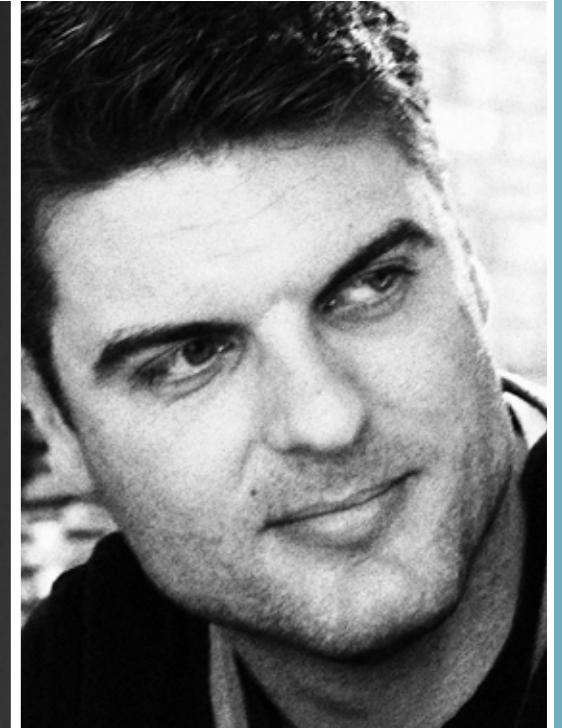

Design Philosophy and Ethics

My graphic and webdesign's are beautiful, usable and professional using the latest best practises prescribed in our industry.

To create my designs I utilise the Adobe Creative suite to produce and create print and digital work for a multitude of clients.

I have a passion for designing a beautiful and functional user experience, focusing on clean, elegant and efficient websites that entices the user and driving innovation and business growth.

- Client Liaison

JOB OBJECTIVE

I am a Graphic and Web Designer, but I see myself as my clients Brand Ambassador or as in the case of a start up a Brand Activator.

I enjoy the challenge of taking raw branding elements and making them work for a specific brand, client or target audience; Even if it means pulling a rabbit from a hat due to tight deadlines.
